Colton John Davis

~

Colton John Davis was born to his amazing mother Misti and his sweet sisters Anastasia, Delilah, and Elysia. Colton A.K.A Bugsie, as his mother lovingly called him, unexpectedly passed away in his sleep in the morning, at his home where he lived with his mom and sisters. Bugsie was loved by all who knew him. He had the biggest smile that would brighten any room as well as bring a smile to everyone who was around him. He had a natural energy to him that could bring peace to the most troubled of hearts. He was our beacon of light and hope wherever he went. He loved the color blue, music, and colorful flashy lights. He loved being wrapped in blankets and being held by anyone who was willing. He often was the community baby at social gatherings and people lined up to get their time with him. It is hard to believe the massive impact such a little boy had in such a short time on this earth. He will be deeply missed and forever remembered.
