

Conner Adonis Russell

January 23, 2009 ~ March 30, 2025

On the early morning of March 30, 2025 Conner Adonis Russell was taken away from his loving family in a tragic car accident. His young life still had a lot of growing to do. Conner was born on January 23, 2009 to the most amazing remarkable mom any kid could have, Brooke Holmquist Garner. Brooke raised Conner and his younger brother Madden Russell on her own. She was a true single mom! Conner loved his small family very much, his mom especially.

Conner loved Football, Rugby and making friends, especially the girls. Oh man he thought he was the “goat” when it came to girls and he let us all know. Conner had a unique personality like no other. He was the funniest when he wasn’t even trying to be. He had a smirk that helped him get away with far far too much and a charm like no other.

Conner was born in Murray Utah and spent the first week of his life in the NICU, He made a grand entrance with his birth and that probably let way to the character he was today. Conner preferred his cats over the dogs, except for his mom’s little dog Keeley. She chose him. He was her person, They loved to snuggle.

Conner is survived by his mom Brooke Garner, brother, Madden Russell, sister Marki Wolff, his grandma Lora Holmquist whom he named Gygi, and his dad Marshal Lane Russell. Our lives have forever changed and he will be missed every single minute of the day. We can’t thank his Aunt Mikala Spencer Garner, Amy Spencer, Uncle Travis Martin, Patty Spencer (TuhTuh) and many many best friends, coaches, teachers, mentors and loved ones enough for all their love and support during this heartbreaking time.

Conner is preceded in death by his grandpa (Papa Buddy) who was at the accident to greet him and keep him safe. His great-grandparents Conrad Joseph Pugh And Adrianne L. Pugh.

"This was a tragic accident that should have never happened. I’ve talked to him dozens of times about driving under the influence, being home by curfew and making good choices. Please talk to your babies about the dangers of drinking and driving. Please hug your babies tight." -Brooke
