

Craig Lee Anderson

February 15, 1945 ~ December 16, 2025

Craig was born in Salt Lake City on February 15, 1945, to Clyde and Betty Anderson. He graduated high school and attended college at Westminster as well as the University of Utah. Craig was married to Louise Redmond Anderson on April 1, 1970. They shared 55 wonderful years of life together.

Craig worked in the airline industry for 35 years at both Western Airlines and Delta Airlines. When he was asked what he did he would reply "Everything but fly them or fix them." He was based at the Salt Lake Airport for that entire time.

Craig loved his family, his dogs, playing golf, and flying remote controlled airplanes. He tolerated yard work but took pride in his beautifully manicured yard. He had numerous friends and loved ones and was always ready to lend a hand or give advice when asked. He will be sorely missed around the neighborhood, the golf course and especially at home.

Three things he thoroughly enjoyed were watching his grandsons play Lacrosse at Juan Diego High School, flying remote controlled airplanes with Intermountain Silent Flyers and golfing with the Senior league at Mick Riley Golf Course.

Craig is survived by his wife, Louise, sons Bret (Katherine) and Brad (Kaylene) and three grandsons William (23), Jacob (21) and Maddax (7).

He is preceded in death by his parents, Clyde and Joyce Anderson and his older brother, Steven.

Friends may pay respects from 6pm to 8pm Tuesday, on January 6, 2026 at Larkin Sunset Gardens in Sandy. In lieu of flowers, the family encourages friends and family to share a favorite memory of Craig in the online guest book.
