Harrison Parker Fox

February 25, 1998 ~ May 26, 2019

Harrison Parker Fox passed away early on Sunday morning, May 26th. Parker will be greatly missed by all those that knew him. He was a precious soul that loved to tease and make those around him laugh. He was extremely protective of his family and friends. He was kind, funny, smart and usually the life of the party. He loved the outdoors and was an accomplished snowboarder and skateboarder and loved to duck hunt. He was born on February 25, 1998, to Heather and Bryan Fox. He graduated from Park City High School.

He is survived by his three sisters; Chanel (27), Elizabeth (19), and Ellie (14) and his brother Jeffrey (12). Our hearts and souls ache with his passing. In lieu of flowers please send donations to the American Foundation for Suicide Prevention - https://afsp.org/take-action/give-a-gift/ A celebration of life will be held at the home of his grandmother from 4-6 PM on June 4th - 5002 Wallace Lane, Salt Lake City, UT
