In Loving Memory of Daniel J. Burgess

Daniel J. Burgess was born on February 19, 1961, and brought immense joy and love into our lives throughout his 62 years. Daniel cared for everyone he met and had a genuine ability to uplift others, offering a listening ear and providing comfort during difficult times. His empathy knew no bounds, and he touched countless lives with his kindness, generosity, and understanding.

A beloved father and husband, Daniel dedicated himself to loving his family. His daughter Daniella and wife Kimese and son Tai will forever hold him in their hearts. Daniel's family, friends and colleagues treasure the special bond they shared, and are grateful for the light Daniel brought into our lives.

We invite friends and loved ones to join us in celebrating Daniel by caring for one another. His spirit will forever guide us and remind us to cherish each moment with those we hold dear.

In lieu of flowers, the family kindly requests that donations be made in Daniel's memory to a children's charity of your choice.

Rest in peace, dear Daniel. You are forever loved!
