

Darla Duncombe Rice

Jan. 1, 1946 ~ April 9, 2021

Darla Duncombe Rice was called home to our Heavenly Father on Friday, April 9, 2021. She passed peacefully in her home at Olympus Ranch in Murray, Utah with family by her side. She was born on January 1, 1946, in Salt Lake City, to Glenn and Edith Emery Duncombe. She married Robert Keith Rice, Sr. on March 28, 1990, in Park City, Utah.

She has waited many years to be reunited with her late husband, 'Bob', and we know how happy they both must have been as he welcomed her into heaven, alongside her parents and her siblings Dixie, Donna, Diane, and Dean; nephew, Michael; great nephew, Trevor.

Darla worked as an insurance underwriter for most of her career. She was a member of the Murray Heritage Red Hatters, Beta Sigma Phi Sorority and was a previous board member and volunteer at Dream Factory of Utah, helping to create the ultimate dreams for children facing terminal illnesses.

Darla loved spending time with family and friends and was always up for a board game or game of cards. She enjoyed crocheting and crafts. She loved adventuring outdoors with her family and spent many weekends camping and four wheeling. If not outdoors, she could also be found watching some of her favorite programs on tv.

She is survived by her two children: Lori Ann Leatham, Ballard, UT, and Joseph Brian Leatham (Tracy), Milwaukie, OR; sister: Debbie Jo Stapley, North Salt Lake, UT; brothers: Dennis Duncombe (Mary), Sandy, UT, David Duncombe (May), Sandy, UT; grandchildren: Austin Brian Leatham (Nancy), Central City, CO, Joseph Keith Leatham, Milwaukie, OR; great grandchildren: Jasper Ronald Blue Williams, West Valley City, UT, and Lynae Holly Leatham, Central City, CO.

We want to thank the kind people that helped make her final days the most comfortable and peaceful as possible; Blanca and the IHC hospice team Megan, Donna, Doug, and Jen.
