David served his country faithfully in the US Navy and the US Reserves from 1948-1955. He then worked for Tooele Army Depot for the remainder of his carrier. David traveled the world as a Red-eye missile specialist and was very respected in his field.

David's greatest passion was his wife Caroline whom he called "the love of his life". His family was most important to him and we never questioned his love and loyalty.

A great day was 18 holes of golf with friends. Puttering in the yard and around the house.

Dad always made everyone he met feel appreciated and welcome. He would say "if you leave here hungry, it's your own fault".

David (Woody) will be missed by so many. Our hearts are broken and we look forward to seeing him again. We have no doubt there is a very happy reunion on the other side.
