

## Dixie May Stephens Nielsen

*April 8, 1934 ~ Sept. 5, 2020*

Dixie May Stephens Nielsen, Beloved Mother, Wife, Sister, Grandmother, Great Grandmother, and Friend. Dixie was welcomed back home on September 5, 2020. She was born April 8, 1934 to Raymond Stephens and Virginia Schettler. Dixie married Ray Nielsen July 1954. They had 7 children, 15 grandchildren, and 18 great grandchildren. Dixie passed away at home with her Daughter Stephanie, Son Guy, and Daughter in law DeAnn at her side. She will be greatly missed; however, we will never let go of the memories we have with her. She spent most of her life caring for her home, her husband, and her children. She loved the Church and adored the ward that she belonged to in Rose Park. She loved the personal relationship she had with our lord Jesus Christ and always encouraged others to develop their own. She was a devout Latter Day Saint and a beautiful Christian woman. She is preceded in death by her Husband Ray, Son Ted, Son Mickey Ray, Sister Rosealie Parr, Granddaughter Angelina Gomez, and countless others. No one will ever take her place, but we will all see you soon!!!!
