

Elaine Fischer Stanley

September 25, 1935 ~ January 25, 2025

Elaine Fischer Stanley, beloved wife, mother, grandma, and grandma great, passed away peacefully at the age of 89 on January 25, 2025, in South Jordan, Utah.

Elaine was born on September 25, 1935, in Los Angeles, California, to Mary and Carl Fischer who emigrated to the United States from Denmark. Elaine was proud of her heritage and the fact she was a “pure-blooded Dane.” The bill for Elaine’s birth was a mere \$100.00 but she is priceless to her family.

She was the youngest of two children and always had a special bond with her sister Elinor whom she could talk on the phone with for over four hours at a time. She also had three siblings from her father’s previous marriage.

Elaine graduated from Glendale High School and attended a year of college at Brigham Young University on a scholarship. She was a talented bookkeeper and worked at several businesses including the California Board of Education, Gingiss Formal Wear and Dr. David Garrett’s dental practice.

Elaine met her eternal companion Lynn on a blind date at a rodeo. They were married in the Los Angeles Temple of The Church of Jesus Christ of Latter-day Saints and spent 65 years together blessing others. They raised four children, Gary (KayLynn), Susan (Jeff), Kim, and Jane (Ross), and multiplied their love to foster three Native American children, Ernie and Ernest Hinton, and Joey Mack.

Elaine devoted her talents to Church service in many positions including Young Women’s President, and as a counselor in the Stake Young Women’s Presidency. In her later years she served in the Draper Utah Temple which embodied her life. Her children were raised in a home full of love and laughter. They fondly remember family nights every Monday where they gathered around the piano to sing “Love at Home” and took turns teaching and learning about Jesus Christ.

This extraordinary woman has blessed generations of our family which include 15 grandchildren and 23 great-grandchildren. When we think of Grandma the first thing that comes to mind is her love of the holidays, especially her gorgeous Christmas tree brimming with treasured ornaments. We have priceless memories of gathering around her tree for family Christmas parties to hand out presents followed by talent shows.

We also feasted on her countless holiday dinners with all the fixings including a massive turkey, stuffing, gravy, mashed potatoes and her famous homemade rolls. Her Easter egg hunts were legendary with the grandchildren. Grandma would hide over a hundred plastic eggs which resulted in a very competitive, epic hunt.

Grandma’s talents also extended to crocheting where she made blessing blankets that two generations of babies are now being wrapped in to receive a name and a blessing. Some of her happiest moments were snuggling and singing to a newborn grandchild or great-grandchild.

Grandma taught us what it meant to be a family through her selfless service and unconditional love. Her testimony of Jesus Christ is her greatest legacy. She was a woman of courage and endured to the end. For this and more, "Her children arise up, and call her blessed; her husband also, and he praiseth her" (Proverbs 31:28).
