

Eloise Mae Crapo

January 14, 2021 ~ January 14, 2021

Eloise Mae Crapo was born at 2:55 am January 14, 2021 at St Mark’s Hospital in Salt Lake City, UT. Shortly after, she returned to her Father in Heaven while in the loving arms of her parents. Because of her condition, we knew her time on Earth may be short, but she accomplished much. She was a protector for her twin brother, giving him the best chance at staying healthy on earth and she continues to watch over him. She shouldn't have survived labor and delivery, but for mom and dad's sake, she fought. We were blessed to have the time we did with her and will forever miss her strong peaceful spirit.

Eloise was the daughter of Madisen and Allen Crapo. She is also survived by her three siblings: Charlotte, William, and twin brother Everett.

Private services will be held. Please share a thought or condolence with the family.
