

## Barry Fisher

*February 18, 1938 ~ November 10, 2022*

Elsworth Barr Fisher II, 84, of West Valley City passed away on November 10, 2022 from Parkinson's disease. Barry was born on February 18, 1938 to Elsworth Barr Fisher and Nell Fisher in Salt Lake City, Utah.

After Barry graduated from South High School, he attended the University of Utah before joining the United States Naval Air Reserve on his eighteenth birthday. He began active duty in 1959 at the Vandenberg Air Force Base where he was assigned to the United States Naval Missile Facility. He was an Aviation Machinist's Mate, Flight Mechanic, Engine Repairman, and General Aviation Mechanic. He was a crew member on a C-47 (a.k.a. Gooney Bird). He enjoyed his time in the Navy because he loved to fly.

After retiring from the service, he graduated from what is now known as Salt Lake Community College as a Machinist and spent the next 55 years as a Journeyman Master Machinist.

Barry adored his family. He was a scout master and Sunday School President. He was always at Janice's side, whether it was building a float or working on her campaign. Barry loved working on his cars. He never met a Mustang he didn't love or couldn't improve upon. He loved to water ski, fish, and hunt with his boys. Barry was a perfectionist. If it wasn't perfect, it wasn't finished.

On January 15, 1960, he married Janice Duke in the Salt Lake Temple. Barry and Janice went on to have three children: Wendy Simmons (Curt), David Barr Fisher (Cindy), and Kirk James Fisher (Jodie).

Barry was preceded in death by his parents Elsworth Barr and Nell Fisher, and brother Richard Fisher (Diana). He is survived by sister Barbara French (Darrel), nine grandchildren, and 11 great grandchildren.
