I'm proud of my kids and their spouses: Teri, Don, Scott and Maurine - My love to you all.
Thank you for my grandchildren, great-grandchildren and grand fur-babies, and all the wonderful times we have had.

As the days go on and you grow old,
I sure hope you remember the stories I told.
I've told many and at various times,
Get together and share the old times.

Well, I'm pulling out of camp for the last time.
I'll see ya later,
Love dad
