Jerry graduated from West High School and shortly afterwards he joined the Navy, serving proudly in WW II. After the war, Jerry continued his military service in the Utah Air National Guard. His unit was activated during the both the Korean and Vietnam wars. He continued to serve in the Air Guard as the Supervisor of the Fabrication Section. He retired after 35 years of service as a CMSGT. After retirement, he served as the Enlisted Advisor of the General of the Air National Guard until 1983. He was always very proud of his military service.

Jerry enjoyed a good game of golf and was a caring compassionate person with a quick wit and a good joke along the way. He was a devoted and loving husband to Toni, father to John (Kathy), Jody (Debbie), Christi (Dan) and Kevin (Renee). Along with his surviving children, he was very proud of his 24 grandchildren and 23 great grandchildren.
