Pat Olsen

January 18, 1935 ~ November 14, 2018

It takes more than biology to be called a Mother you need love, compassion and selflessness. The day Pat stepped into that responsibility she earned the name Mother, Grandmother, and GG.

Pat was very involved and dedicated to her church; she served an LDS mission in Guatemala and was always willing to serve in any way.

She was born in Rigby Idaho to Lewis and Nellie Olsen she had multiple health issues but she fought every day to live a full life. She is the last sibling to return home and she was so excited for that reunion. On November 14 she was granted that wish. We know she is pain free and with her family.

She worked for Walker Bank in Logan then due to her medical conditions she moved to Salt Lake City to be closer to her doctors. She went on disability from First Interstate bank and enjoyed her time at home taking care of her roses and her garden.

We love and miss her but celebrate her life with gratitude for all she did and for the love she shared.

A viewing will be held at the Larkin Mortuary in Riverton 3688 West 12600 South on Thursday, November 29, 2018 from 6-8 p.m.

A graveside will be at the Logan Cemetery 1000 North 1200 East on Friday, November 30, 2018 at 12:00 p.m.
