

Gary Edward Case

June 29, 1956 ~ November 21, 2025

It is with deep sorrow and heavy hearts that we announce the passing of our amazing dad, grandpa, great grandpa, brother, uncle, and friend, Gary Case, who left us on November 21, 2025, surrounded by his family and his great friend, Pete. Gary was born on June 29, 1956, to Wayne and Loretta Case in Salt Lake City, Utah.

Gary's legacy lives on through his daughters, Jennifer (John) King and Amber (Josh) Butterfield; his cherished grandchildren, Kolton (Hailey), Kodi, and Kache King, Nick and Adam Butterfield; and his precious great granddaughter, Charlotte (Charlie) King. He also leaves behind many siblings, nieces, and nephews who loved him dearly.

Long before he was a dad teaching us how to water ski or saddle a horse, Gary found his passion in the grit and adrenaline of rodeo. He rode rough stock and especially loved saddle bronc riding in the PRCA. It wasn't just a hobby for him—it was something that lit him up from the inside out. That same spirit carried into our own rodeo days, where he proudly supported us in 4H and High School Rodeo, often acquiring timed-event horses and cheering us on from the sidelines. His pride in his daughters was unmatched.

Gary had a unique bond with each of his girls, son-in-laws and grandkids.Teasing and teaching his grandkids was one of his favorite things to do. He loved a quick trip to Wendover, standing around a campfire with friends and family, or joining a pool tournament with cold beer in hand. He enjoyed simple moments and good company of friends .

He was a craftsman, a journeyman roofer, and the proud owner of Gary Case Roofing. He worked hard, took pride in what he built, and always made room on his crew for family or friends who needed a job. He was a loyal friend and someone people knew they could count on.

Gary was preceded in death by his beloved wife, Jill; his parents; and his old buddy, Ed.

A celebration of life will be held on December 13, 2025 from 2:00 p.m. to 6:00 p.m. at Gary's residence 14705 S. Rose Canyon Road in Herriman where we all can get together to recreate the good times.
