

Grace Alice Roberts

June 28, 1935 ~ August 6, 2021

Grace Alice Roberts, 86, died August 6, 2021 in Salt Lake County, Utah. She was born on June 28, 1935 in Barron, Wisconsin to Francis Clark Heath and Marion Day Etlicher Heath.

Grace graduated from the Preservation School of Nursing in South Dakota in 1959 and worked in clinics and physician offices most of her nursing career. At home she enjoyed cooking, baking, gardening crafting and decorating for holidays. She usually made too much food because she learned to cook by cooking for the patients while working in her mother's nursing home during the 1940's. She loved flowers of all kinds but was especially fond of pansies, peonies and roses as they were her dad's favorites. She was definitely a farmer's daughter and loved to work in her yard.

Grace married Dallin R. Roberts on September 25, 1981 after knowing each other for just over two months. It was meant to be. They enjoyed each other's company and were each other's best friend.

Grace is survived by her husband Dallin, daughter Suzanne, son David, brother Donald and sister Marjorie. She is preceded in death by her parents Francis and Marion as well as her step-mother Bessie who raised Grace from a very young age and who Grace considered to be her mom. Also preceded in death by her brothers Laverne and George, sisters Vera, Hazel and Delores.
