

## Grant Sudweeks

*Sept. 1, 1942 ~ July 14, 2022*

Grant Sudweeks passed away peacefully on July 14, 2022, in Draper, Utah.

Grant was born on September 1, 1942, in Salt Lake City, Utah to Leo and Selena Sudweeks. Grant proudly attended West High school graduating in 1960. Shortly after graduation, he married Colleen Howell and they welcomed two children, Jeff, and Michelle. They later divorced. In May 1974 Grant married Kathy Kress and they later welcomed one daughter, Hillary.

Grant spent many years working for Xerox as a technician and service manager where he met many great friends and got to tinker on machines all day. He was a man of many talents and hobbies. He had a deep love for and knowledge of Lake Powell and loved all things boating- a hobby he proudly passed on to his children. He could often be found tinkering on a project or setting up his latest gadget or electronic. He had a great love for his dogs- poodles with a Catahoula in the mix and took great pride in his yard. He spent many hours perfecting his lawn and walking the trails of Dimple Dell Park. He also had a notable shoe, watch, and tool collection and was the resident family weatherman. He could also never turn down a good research project to find the best of the best in tires, cars, or weather stations.

Grant was an incredible father and husband. He was always, always only a phone call away for any need his wife or kids had. But his most beloved title was that of Grandpa. He had a special relationship with his grandkids and great-grandchildren and typically couldn't say no to their requests, no matter how outlandish. He found great joy in getting them treats and letting them put ice cream on their noses, letting them stick their tongues out whenever they wanted, and giving his youngest granddaughter (slow) rides around the block with her head out the sunroof. He was deeply proud of their accomplishments and found true joy in spending time with them. The delighted and mischievous giggles from both Grandpa and the grandkids will not soon be forgotten.

Grant is survived by his wife, Kathy, son, Jeff Sudweeks, daughter Hillary KS Carter (Cody), grandchildren,

Anthony Sudweeks (Laura), Casey Miles, Curtis Miles, McKinley Carter, and great-grandchildren, Adelaide Sudweeks and Quinn Coccimiglio. He is preceded in death by his parents, daughter, Michelle McEntire, and grandsons, Brian Sudweeks and Cameron Miles.

Visitation will be held on Wednesday, July 20, 2022, from 5:00 pm to 7:00 pm at Larkin Sunset Gardens, 1950 East Dimple Dell Road (10600 South), Sandy, UT 84092
