Benjamin Sandmire

April 6, 1984 ~ February 27, 2015

Our dear husband, father, son, brother, and friend, Benjamin James Sandmire, was taken from us suddenly on Friday, February 27, 2015. Ben leaves behind huge shoes to be filled. He was a great strength and loved by those who knew him; such a hard worker and a man of true integrity.

Ben loved the outdoors. Mule rides and hunting were his passions, which he shared with those he loved. These passions were surpassed only by his loyalty to the gospel of Jesus Christ and his devotion to his family. He adored his children.

He is survived by the loves of his life, Marni, Eva, Jaycee, Theil, Karli, and Rossen; his parents; and many, many family members and friends. He will be greatly missed.
