Andrew Michael Burge

June 8, 2019 ~ December 10, 2019

Andrew Michael Burge was born on June 8, 2019 in Salt Lake City, UT to his loving parents, Alexis and Kelly Burge. Andrew was born with a rare chromosome 10 deletion, which caused him several birth defects. He was so excited to meet us that he arrived 7 weeks early. He had a number of challenges and he fought through them like a warrior. Andrew passed from this world back into the arms of our Heavenly Father on December 10, 2019. In the brief time that we had with Andrew, he brought joy and love to all that met him. Through all of his obstacles, he remained a happy child that was always excited to have visitors. We were very blessed and are grateful for the six months of love and joy that we got to share with him. Andrew is survived by his mother, Alexis Ramseyer Burge, and father, Kelly Vaughn Burge. Our family would like to thank the staffs at Primary Children\s and South Davis Community Hospital for the wonderful care and support of our special little man. Funeral services will be held on Wednesday December 18, 2019 at 11am with a viewing one hour prior.
