

Jacquelyn Lou Little

March 7, 1944 ~ May 10, 2025

Jacquelyn Lou Little passed away peacefully on May 10, 2025, at the age of 81, after spending the last few tender days and moments with her daughters and family.

Jackie was born in Scottsbluff, Nebraska to Jack Douglas Brewer and Ethel May Vath. She was raised in Lingle, Wyoming, where she loved growing up on her grandparents' farm until she was twelve years old. There Jackie developed a deep love for being outdoors in the fresh air, surrounded by family and animals. At twelve she moved with her family to North Platte, Nebraska for her father's career, and found living in a small four-plex apartment a difficult adjustment to the farm life she loved! Jackie moved several times after that with her family but was able to return to Lingle Wyoming to live with her grandparents for her senior year of high school, so she could spend her senior year with her childhood friends. Jackie mentioned the hardest part of that year was being away from her brother Steve.

After graduating, Jackie attended the University of Wyoming, on a four-year full-ride scholarship. After her first year of college, she decided it was not for her, and soon after found her love for radiology, and began her X-ray training in SLC. After her training, Jackie began her first job at Primary Children's Hospital where she met her husband, Brent.

Jackie was a proud mother to two daughters, Natalie and Nicole, whom she raised with love and dedication. She instilled in them the values of working hard, kindness, and the importance of family. Jackie also loved to spend time with her grandchildren, who brought her immense joy and pride. She cherished every moment spent with them, creating lasting memories filled with laughter and love.

Throughout her life, Jackie was known for her hard work, dedication, and loving nature. She was a valedictorian of her high school senior class. She excelled in whatever endeavor she started; being an incredible X-ray technician to the pediatric patients at Primary Children's Hospital, gardening, baking, serving in the community, a successful business professional as owner of a medical billing company, skiing when time allowed, and being a dedicated daughter, sister, wife, mother, and grandmother and friend to all.

Jackie is survived by her brother Steve (Kathy); daughters, Natalie (John) and Nicole (Pat): her grandchildren; Jessi (Dallin), Jack (Aspen), Sydney, Lindsey, and Connor; one great-grandchild Abigail; nephew Chad (Jocelyn) and great-nieces Bostyn and Decklyn. Her legacy will live on in the hearts of all who knew and loved her. She will be remembered for her loving nature, her beautiful smile, her great laugh, and her ability to find joy in the little things. Jackie will be deeply missed.
