He graduated from Jordan High School in 1961. He married his high school sweetheart and best friend, Vicky Lee Atkinson on February 13, 1964.

They had two daughters, Mindy and Rennie. He was the best dad anyone could have asked for. He said he was blessed to have such a great family, but we say we were the ones who were blessed to have such amazing parents. He was a devoted husband, dad, grandpa, and friend.

He had five grandchildren, Easton, Ciera, Nash, Wyatt, and Kylee, they thought he was awesome! He also loved his great grandchildren; Addison, Avery and McCade. He would spend almost every Tuesday and Thursday visiting the two little girls. He always had a treat for them, whether it was a Twinkie, Starbursts or Junior Mints.

Jay worked in construction most of his life. He was a mechanic, welder and a heavy equipment and crane operator. His last project he worked on before he retired was the reconstruction of the I-15 freeway. He was a proud member of the Operating Engineers Local 3, he had 50 years of service with the union. He was grateful for his membership and couldn't say enough for all the benefits he received.

He loved camping and spending time with his family and friends in the great outdoors. Whether it was hunting; deer, elk, antelope, pheasant, geese, ducks; he did it all.

After retiring his favorite pastime was buying, repairing, cleaning, and selling saddles. He couldn't pass up a yard sale just incase there was horse tack he could get a good deal on.

Everyone knew Jay, he was the man in the cowboy hat and the man that had a story to tell. He had a gift for gab! He was also the guy you called if you needed to borrow a tool or something fixed. He was always willing to help a

friend in need.
