With great sadness we announce the passing of our beloved husband, father, grandfather and great grandfather on Thursday evening September 28, 2023, after battling a serious illness for many years.

Johannes was born on January 4, 1939, the last child of 11 in the middle of World War 2 in Konigsberg, Prussia which at the time was part of Germany. He will be missed greatly by not only his wife, his four children, many grandchildren and great grandchildren, but most of all he will be missed by many friends that touched his life through the church and through his passion for woodwork.

He left behind great memories through his love and craftsmanship and his ability to help others in need being able to touch and help many lives through his 84 wonderful years on this earth. He is now reunited with his large family of brothers and sisters which all passed before him.
