

Kathleen Hildebrant

March 7, 1943 ~ January 12, 2021

Kathleen Hildebrant, age 77, died January 12, 2021 in a Mesquite TX hospital. She was born March 7, 1943 in Salt Lake City UT and is preceded in death by her mother Elsie Olsen Hildebrant. She graduated from South Tahoe High in Al Tahoe, CA class of '61, and worked at St. Josephs Hospital in NY before moving to Dallas TX. She started working for Chilton credit reporting prior to it changing to TRW and eventually Experian. She made so many lifelong friends and touched so many lives with her infectious smile and kind heart. It is with a heavy heart that we have to say that she was given COVID during a stint in rehab during her recovery that ended up taking her life. She was such a wonderful person and was truly our family even though not related by blood. Kathleen was a very private person and kept a lot of things about her life to herself, but what we knew of her we loved. You will be missed good friend, but we know that you are in the loving arms of our Lord and surrounded by all those that have gone before you.
