

Kathy Lynn Cash

September 22, 1944 ~ February 19, 2021

Kathy Lynn Stevenson Cash was born in Salt Lake City on September 22, 1944 to Fred and June Stevenson. She is the oldest daughter and second child of six. She states, “I was proud of my parents who sacrificed constantly to be able to raise me and my five siblings… my parents taught me work, courtesy, listening, honesty, family prayer, lower tones of voices, good works in secret, return something better than received, and waste not want not.” She indicates that in school she was only allowed to wear a dress/skirt, loved sports, babysat every weekend, and excelled at grades but tried to make it look like she didn’t. She married Don Cash at a young age in the Logan Temple by candlelight in a large storm. Kathy stated in her history, “My ambition was I ALWAYS WANTED TO BE A WIFE and MOTHER.” They eventually moved to Coronado Island to join Don’s Navy squadron. They survived having had four children (a girl then three boys) and moved to northeast Ohio for seventeen awesome years. Two more boys were born in Cleveland where they moved from a suburban setting to a seven-acre farm to raise cows and kids. Kathy seemed to be able to milk the cows, run her own bakery business, take boys to the emergency room, apologize to the neighbors for motorcycle noise, split logs and so much more all while being the kindest, loving, most nonjudgmental human this world has known. She loved to smile, laugh, work, pray, play, and focus on people rather than things. No one was thriftier or loved a garage sale more. She constantly took her children and their friends on local adventures to the point that friends secretly hoped for adoption. It was eventually time to move closer to family in Utah when her physical health declined. She passed away peacefully in her sleep at home on Feb 19. Her family can only imagine the reunion she is having with two of her sons, a sister, and parents in heaven right now. She writes, “I pray that the Lord will stay IMPORTANT in all of my progenitors lives.”
