

Katie Lynn Jeffs

July 17, 1996 ~ June 18, 2022

Katie Lynn Jeffs was born in July of the year 1996 and sadly passed away in her childhood home on June 18, 2022.

Hard to know where to start with someone's life who was just beginning. Katie was a young bright girl who had a huge heart. She was someone everyone could turn to for a shoulder to cry on or just an ear to listen. She had big goals of going back to school and entering the medical field in order to help those around her. Katie was loved and adored by all who knew her. Katie is survived by her parents Rick and Amie Jeffs, sister and brother-in-Law Nikki and Zachary Hunter, sister and brother-in-law Courtnie and Shawn Forsyth, niece and nephew Dezirae and Harvey Hunter, grandparents Cathie and Kenneth Woods and Cora Jeffs, boyfriend Lonny Widdison, fur baby Bohdi, and countless other family members and friends.

There will not be a formal service for Katie as we as her family feel like she would hate for all of us to be in a stuffy mortuary with tears flowing and noses running. Instead we have decided to have a celebration of life in her honor on her upcoming birthday on July 17, 2022. More details of time and location to come. Thank you to everyone for all your love and support to our family during this difficult time. We love you all.

In Loving Memory

Your life was a blessing,
Your memory was a treasure
You're loved beyond words
And missed beyond measure.
