

Kay Lorus Walker

May 19, 1941 ~ January 31, 2021

Kay Lorus Walker, my beloved and wonderfully eccentric father went home to be with the Lord. He was eager to catch up with those who preceded him, wife Nancy and son Andy.

He is survived by his brother Jerry and sisters Linda, and Sandra who took wonderful care of him in his later years. He also Leaves his son Matt (Sarah) and grandkids Maren, Eli, Tim, Jordan, Townsend, Henry and George.

He was a firebrand when he was young. In his later years, a kind, lovable scooter jockey who could spin wonderous yarns about his past. He served his country in the army, and had an amazing life. He was that ‘geezer’, as he’d call himself, who would move too slow on the road and in line, but irritated worker bees must remember that these ‘geezers’ are a blessed link to an increasingly forgotten heritage, when most still had to milk a cow and use an outhouse.

We will all miss you deeply, especially as the world you leave behind keeps getting crazier. But we will see you again soon enough, in our Lord Jesus Christ.

Current conditions have rendered a traditional funeral as a non-option. In lieu of this, say a prayer, donate to a favorite charity, or just raise a drink and remember him.
