Lanny John Buttars passed away on May 20th, 2021 at the age of 76 after complications with infection, pneumonia, and heart failure at the St Marks Hospital in Salt Lake City, Utah.

Lanny was born October 15th, 1944, the second child of Ronald Vernal Buttars and Faye Kloefer Buttars Atwood. He grew up in Logan, Utah in the family home built in 1884. It was constructed by his maternal Great Grandparents, Henry, and Eliza Kloefer.

Lanny attended Logan City Schools and Utah State University. He earned two bachelor's Degrees, one in Business and later in Accounting. He paid for his education.

He is a member of the Church of Jesus Christ of Latter-day Saints. He joined the Army Reserves. After college, Lanny was employed with Emico as a Field Engineer. Lanny was an outdoorsman- enjoying deer and pheasant hunting, fishing, dogs, horses, guns, cars, telling long-winded jokes, piping hot food, and the company that went with it all. He was also a hunter in his travels when he found treasures and bargains to fill his home and cabin. He spent ten years building the cabin in Sterling Alaska and was an avid fisherman on the Kenai River. Lanny loved Utah Jazz games and enjoyed eating chicken wings during games.
