

Laurie Pratt Terry

Feb. 22, 1973 ~ Oct. 29, 2020

On October 29, 2020 our beloved wife, mother, daughter, sister, and grandma, Laurie Pratt Terry passed away following complications from a heart attack and stroke. She was 47. She was born on February 22, 1973 possessing an unparalleled spirit of adventure and wanderlust in Tooele, Utah to Loretta Christensen and Steven Pratt. She embodied all that was lovely, warm, kind, and good. And oh, was she funny. She filled up all the space in every room she entered with life and laughter. Her Laugh was famous. Okay, it was a cackle...it had the magical ability to reproduce laughter and good humor in even those most committed to keeping a straight face.

She graduated from Heidelberg High School in 1991 while living in Germany. Go Lions! After high school she made her way back home to Utah. She graduated from Snow College before attending Weber State University in Ogden. After college she took a job at Unisource (now Veritiv Corp) in Salt Lake City. She remained there for 23 years. She started as an Administrative Assistant and over the years worked her way up through the ranks to become a very successful Sales Rep. She was adored by co-workers and customers alike.

Laurie was a child of the 80's and early 90's. The amount of hairstyling and spray during these years shaped more than just her hair. It defined a large part of her life. It took her two hours to get ready to meet the public. An hour and a half if she were forced. She loved 90's R&B, Air Supply, Chicago, and Abba. She could do the Running Man with the best of them. Laurie married the love of her life Jeremy Terry on Valentine's Day 2008 in Dubai, U.A.E. They made their home in Herriman, Utah along with his four children, Jordan, Bransen, Brock, and Brynn. They welcomed a son, Griffin in 2011. Becoming a wife and a mother was the greatest joy and highest calling of her life. She lived for the kid's games and performances. She loved camping and traveling with the entire family. She treasured just lying next to Griffin at night while he drifted off to sleep. Laurie was passionate about and chose to be an organ donor. Many lives will be blessed through her life saving gift.

Laurie is survived by husband Jeremy, children Griffin, Brynn, Brock, Bransen, Jordan (Daisha) Her parents Loretta Christensen and Steven and Cathy Pratt.
