

LeRoy Richard "Dick" Strong

March 29, 1926 ~ August 23, 2021

LeRoy Richard "DICK" Strong - Our beloved Father, Grandfather and Great-grandfather and Friend passed away peacefully Monday, August 23, 2021, in his cherished summer home at Bear Lake in Fish Haven, Idaho. Dick was born March 29, 1926, to LeRoy Hobson Strong and Gladys Evelyn Eliza Taylor Strong in Logan, Utah. Dick had three younger siblings - Evelyn, Patricia and David. He grew up in Logan and Ogden, and then his family moved to SLC where he attended Granite High School. Immediately following graduation in 1944, Dick joined the United States Navy to defend his country during World War II. He served as a Photographer's Mate, 2nd Class, until his honorable discharge in 1946. Near the end of his Naval service, he married his sweetheart Beth Adell Jensen of SLC on March 13, 1946, in the Salt Lake Temple. They had five children - Scott (Jane), Brook (Bobbi), Kirk (Karen), Vicki (Farrell Forsberg), and Stacy (Brent Toolson).

After the Navy, Dick went into auto sales. Born into an automobile family, he had worked in the industry most of his life and soon became the owner of his own dealership - Dick Strong Triumph Sales. Then in 1963 he became the Owner and General Manager of Roy Strong Motors in Ogden, Utah selling Volkswagens, Audis and Porsches. Dick was a very successful dealer and in 1972 he was elected President of the Utah Automobile Dealers Association. He took his position very seriously and chose to travel to visit every new car dealer in the State of Utah to help them succeed. He firmly believed and was recognized for promoting customer care and communication as the keys to success. He gained a lasting reputation as an honest, fair and caring businessman. Dick was rarely idle and upon retirement he chose to sell real estate for Century 21. His genuine concern and love of people helped make him a successful realtor.

Dick was an active member of the Church of Jesus Christ of Latter-Day-Saints. Because of his military service, he regretted that he was unable to serve a mission. It thrilled him to later be called as a Stake missionary. He served faithfully in many callings including Bishopric Counselor, MIA President, a Tour Guide on Temple Square and a Visitor's Guide at the Paris, Idaho Tabernacle. After the passing of his dear wife in 2009, he attended the Salt Lake Temple 5 days a week as a patron and simultaneously served weekly as a baptistry ordinance worker.

Of all his accomplishments, the greatest one was his unselfish service to his family, neighbors and friends. He found great joy in making life easier for others. He was very attentive to his mother's needs through her 98 yrs. of living; he took care of his beloved wife who was in a wheelchair with arthritis for several years - doing all the cooking, cleaning, shopping and her personal care; and in addition, he always found time to be an amazing father/grandfather, happily tending grandchildren and often driving them to sports, dance and other various appointments. On top of this, he made the best roast beef dinner every Sunday for his family for many, many years. No one could make roast beef like him!

Dick is survived by his brother Dave (Merle); four of his five children - Scott, Kirk, Vicki, Stacy and their spouses; 25 grandchildren; and 66 great-grandchildren. He was joyfully greeted in heaven by countless loved ones including his beautiful wife, Adell; his son Brook and daughter in law who passed together very young; his parents and sisters. Thank you, Dad, for blessing the lives of all of us, and for providing our family gathering spot - Strong's Heavenly Haven at Bear Lake. Until we meet again, our love is always with you.
