

## Linda Althea Dorner Embleton

*March 13, 1932 ~ March 18, 2023*

Linda Althea Dorner Embleton, born March 13th, 1932 to Theora Almeda Hall and Nicholas Fred Dorner in Arkansas City, Kansas; and married to G Nelson Embleton on October 4th, 1952 in Bentonville, Arkansas; passed away in Salt Lake City, Utah on March 18th, 2023.

From a very young age Linda loved tennis, swimming, and all athletic endeavors. She was always up for playing or watching sports. When the Rockies came to Denver in 1993, baseball became her passion. She spent 17 amazing seasons working for the Colorado Rockies. Even after moving to Salt Lake City, her Rockies were never far from her mind or heart. Mom watched a spring training game the night before she passed.

Linda never met a stranger and was an example to us all of kindness and service. Her legacy lives on in the lives of those she touched. Her choice of profession as a nurse was an example of her desire to serve. Through her work she met life-long friends. Her children, grandchildren and great grandchildren were her delight. The day she passed there was a cacophony of laughter, singing, and conversation in her room. She loved to have people around her and family parties and celebrations were such a joy to her. She and Dad traveled to spend time with family and friends who lived away. With him she was able to visit many exciting places.

Linda lived her life following the teachings of her Savior. She had such a passion for sharing this love and devotion that she became a host for many missionaries of the Church of Jesus Christ of Latter-Day Saints. She touched their lives and hearts and cheered and supported them when they were low and frustrated.

When she retired from nursing she worked for the Colorado Rockies and as a sample sharer at Costco. These were the ideal ways for her to spend her time talking with people and enjoying the roar of the crowd at the Baseball Park.

Linda loved animals and was devoted to those lucky enough to live with her. Her dogs were her companions and she spent many hours walking at Cherry Creek Reservoir with her last and dearest dog friend, Maggie. Linda loved to play games. A hand of cards or game of dominos made her so happy... She and her cousin, Jean, had regular

“Scrabble and lunch” dates for many years.

Linda lived a life of gratitude. Thank you came easily to her lips. Good manners and writing thank you notes were very important to her.

She was survived by her five children: Dianne, Susan, Monica, Dale, and Patrick; ten grandchildren and seven great grandchildren.

Preceded in death by her husband of 55 years, Nelson, her granddaughter Katrina Ambrose and a great granddaughter, Rose Ambrose.

We who knew and loved her are all the better for having her in our lives.
