

Lynda Warnick Carlston

May 3, 1940 ~ Jan. 2, 2022

Born to Harold Willard and Lois Bramble Warnick in Salt Lake City, Utah. She graduated from Olympus High School and Attended the University of Utah. She married Milo Lawson Carlston on May 11, 1966. They were blessed with one son Steven Milo Carlston, who was the light and pride of her life.

Lynda loved the mountains, rivers, oceans and especially waterfalls. She loved doing for others, fine arts and museums, and entertaining in her home. She loved gardening and spent countless hours turning her backyard into her paradise. But her greatest passion was traveling with her husband and experiencing and learning from the many wonderful cultures and amazing vistas throughout the world.

Lynda had a deep love of God and our Savior Jesus Christ and they had a daily part in her life. Her greatest love was her family: her dearest husband, who cared so lovingly for her during her illness. Her Son and his wife Jennifer, and her greatest pride and joy – her precious grandchildren, Lilianne Rose and Lawson Carlston.

She is survived by her husband, son and grandchildren, a brother-in-law Douglas Holladay and a niece raised as a sister Debra (Gene) Marks, and many wonderful nieces, a nephew and dear friends. Preceded in death by her parents, a sister Joyce Warnick Pitt, and a sister Karen Warnick Holladay.

A service will be held at Larkin Sunset Lawn at 2350 East 1300 South in Salt Lake on Friday January 7, 2022 at 11:00 followed by the interment at Mount Olivet Cemetery. Instead of flowers, please do a kindness for someone living.
