

Marilyn Angus

January 5, 1955 ~ April 25, 2024

With heavy hearts and fond memories, we bid farewell to a cherished soul, Marilyn Angus, who graced our lives with her radiant presence and boundless love. Marilyn was born January 5, 1955, in Hartlepool, England, to Walter and Pauline Angus. She is survived by her sister Georgia Hatch; children Lori Ordonez, Raymond Angus, Jason Yeiter and Christopher Bagley; her many grandchildren, great-grandchildren, and her dearly cherished caretaker and best friend Wayne Saunders.

She departed from this world peacefully in her home, leaving behind a legacy of kindness, compassion, and warmth that touched the hearts of all who had the privilege of knowing her. Her presence illuminated our lives, and her absence leaves a void that can never be filled. Yet, as we mourn her passing, we take solace in the countless memories she leaves behind – moments of laughter, joy, and unconditional love that will forever remain etched in our hearts. Though Marilyn may no longer walk among us, her spirit lives on in the lives she touched and the hearts she inspired.

Marilyn was a beacon of light, her inner beauty shining brightly through her gentle demeanor and genuine care for others. Her love knew no bounds, extending not only to her fellow humans but also to the creatures of the earth whom she nurtured and loved with unwavering devotion. Her home was a sanctuary for all, where every stray found solace and their hearts found comfort. She lived a life guided by empathy and understanding, always ready with a listening ear and a comforting embrace. Her compassion knew no limits, and her generosity knew no bounds. Acting as a shoulder to lean on or rescuing an abandoned animal from the streets, Marilyn's heart overflowed with love and compassion for all living beings. May her legacy of love and compassion serve as a guiding light for us all, reminding us to cherish each moment and to always extend a hand of kindness to those in need.

In the tapestry of life, Marilyn's thread may have come to an end, but the beauty of her spirit will forever weave its way through the fabric of our memories. Rest in peace, our dear Marilyn, knowing that your love will live on in our hearts.

A celebration of life will be held in the summer. In lieu of flowers we ask that you honor Marilyn and her legacy by donating to the Humane Society of Utah (www.utahhumane.org) or Utah Autism Give (www.utahautismgive.org).
