September 22, 1981 ~ February 23, 2021

Our beloved Meiganne MacArthur McPhee passed away far too soon on February 23, 2021. Born September 22, 1981 in Las Vegas, Nevada to Lisa Calderwood Ortega and was immediately adopted by into her loving MacArthur family. She always cherished her relationships every member of her very large family.

Meiganne loved her ACVU family and was very proud to be an excellent and indispensable part of their team. She loved her co-workers and loved and cared for her patients and provided excellent patient care. She was thorough and sharp as a tack.

She met the love of her life, and soulmate, Mark McPhee, and they quickly became inseparable for all their days together. They were married July 7, 2013. They were the couple that everyone wanted to be, and also the couple that people wanted to be with.

Meiganne was always the life of the party and was sure to light up any room she walked in to when she started singing. She was the type of person that was loved by so many which makes her passing so difficult. She will be deeply missed by all who knew and interacted with her.
