Chandler Blake Webb

June 18, 1994 ~ November 19, 2013

Chandler was born in Salt Lake City, Utah. He was welcomed into a loving home by his parents, Blake J. Webb and Loralyn (Lori) Killpack Webb. He was the baby brother to Brandon and Mitch.

He passed away peacefully after a hard battle in the ICU, suffering from severe brain damage, the results of his recent flu shot.

Chandler was a special boy with a heart of gold. His happiness was contagious. He recently graduated from Brighton High School and was preparing to leave on a 2 year mission for his church.

Chandler loved his brothers and family. He loved to hang out with his friends, boating, snowboarding, vacations, candy and the Utah Jazz!

Chandler will be missed more than words can express. His death is so senseless. He is survived by his loving parents Blake (Dawn) Webb, Lori Webb, brothers Brandon , Mitchel (Breynn). His grandparents Lowell O. Killpack (Karen), Lynn Johnson, Dean and Lucile Webb (deceased). He has numerous Aunts, uncles, cousins and friends.

Chandler\s last 28 days were spent surrounded by so many who loved him. He may not have been able to wake up to see them but we know that he knew they were there.

The family wishes to thank the incredible people at the IMC ICU, especially the nurses and tech\s who treated him with exceptional competence, dignity and love.
