Our beloved wife, mother, and grandmother, Nancy Carroll Blank Boren, passed away September 23, 2024 at home. Nancy was born May 28th, 1943 in Salt Lake City, UT to Clayton and Vivian Andersen Blank. Nancy married Eldon Delos Boren (Dee) on December 20th, 1963. They moved to Taylorsville where they raised their two children, Heidi and Todd. Dee and Nancy moved to Las Vegas for a time and finally back their current home in West Jordan.

Nancy was a busy lady. She was an active member of the LDS Church where she held many positions including working with kids in the nursery; she always loved kids. She was a leader in the Boy Scouts. Nancy worked and retired in Finance and trained new tellers.

Nancy loved her neighbors and planned many neighborhood parties, BBQs and other get togethers for up to 70 people. Nancy loved helping people. The neighborhood children knew her as Nana and knew they were always welcome. Nana always had lots of love and treats to give out.
