He lived by the motto:

“10 smiles per mile.”

Nicolas Keith Murdock of Grantsville, Utah passed away on June 21st, 2025 with his loving husband Zachary Denton Stafford. Born to Richard Keith Murdock and Calleene Lynn Murdock on June 10, 1985 in Salt Lake City, Utah. Survived by his only brother Richard Lynn Murdock.

He lived by the motto:

“Honey badger don’t give a f***”

Each, with a passion for automobiles, gaming & their love for tinkering created an absolutely undeniable connection and unbreakable love for each other. Zach could drive anything and was always just one call away when someone had car trouble. He loved his family deeply and loved Nic with everything in him

The stories Zach told at every opportunity about being away driving his semi - the good, the bad & the ugly, and talking about something he did to embarrass Nic in public has everyone all around continually laughing.

Nic was a really strong person with a heart of gold and the best brother anyone could've asked for. Nic was wise beyond his years. Nic gave the best advice to everyone. Nic spoke his mind and genuinely loved everyone — and everyone loved Nic.

Nic brought a smile to everyone's face as he'd crack a joke about anyone in the family, never letting us live down something we did years ago. Nic, playing Croquet and using his prosthetic leg when you're his target because if he misses "I won't even feel it".

Sadly every holiday, every family game night, every Halloween, and every day will now be just a little more empty with the loss of Nic & Zach.

They were both wonderful people. They were so loved and they were lucky to find each other.

If you'd like to contribute, donations can be sent to @GinnyMoody via Venmo. All contributions will be donated in Nic and Zack’s names, in honor of their love for cars and the community that brought them so much joy.

Thank you for your love and support during this time.
