Our mom passed away after a short illness on the evening of January 9, 2020. She was born the fifth of eight children to Icea Belle and James Edward Robison in Grand Junction, CO. She moved with her family to Ogden, Utah where she graduated from Weber High School. She attended Weber State until moving to California with her best friend Mary. She worked as an administrative assistant in the physics department at the University of Utah, later moved to KUED, and then to the Park Building where she worked for the Vice President and then head of legal counsel, retiring in 1994. Mom spent endless hours sewing dance costumes for her girls and Halloween costumes for her grandkids. In later years she made beautiful quilts for each of her family members. She was an excellent cook, her enchiladas were a family favorite. She took pride in her home and garden.
