

Patricia Ann Shelley

November 7, 1952 ~ March 16, 2022

Patricia Ann Shelley, beloved wife, mother, grandmother and friend passed away in her home on March 16, 2022. Pat was born November 7, 1952, in Paducah, Kentucky to William F. and Patricia A Ping Holt (both deceased), and later joined by her younger brother William "Bill" Holt.

Pat was a wonderful soul, who loved the gathering of family, the thrill of adventure in traveling, the beauty and creativity of art and screen, and the accomplishment in her talents with art and quilting.

She was a dedicated member of the Church of Jesus Christ of Latter-day Saints following a strong testimony and love for her Savior Jesus Christ. She was introduced to, and later became a member of the church in her youth while in Kentucky. Her testimony of the church brought her to Utah where she attended Brigham Young University and eventually met Don with whom she loved and married on April 24, 1976, and was sealed for all time and eternity in the Salt Lake Temple. They were married 35 years at the time of his passing in 2012.

Always the dedicated mother and grandma, she cherished any time family gathered for any occasion. She loved to spoil the family (especially the grandkids) with homemade treats and meals, special games and gifts to brighten every visit and holiday. Her favorite was to get them in the car and drive somewhere fun, go out to eat, or find some new tasty treat or drink somewhere. She treasured time with family, and was always so proud and supportive of all of their accomplishments. She never missed opportunity to attend a play, cheer from a sideline, or whatever she could do to show how proud she was and that she was your biggest supporter.

Any chance she could head out the door into a car, plane or boat to see the world, she was always ready to go. She had an insatiable thirst for adventure. She loved to see and visit anywhere new, but also valued relaxing somewhere tried, true and familiar as well. Her and her husband, Don, found such joy in boarding a cruise ship and seeing the world, or turning down some unfamiliar road off the highway while exploring the Eastern States. Disney World or Las Vegas, Kentucky or Alaska, Italy or Panama, she didn't care because she was always ready for a good time.

Part of her love of travel was to see all the beauty and creativity that the world has to offer. From the art from history in Europe, to the modern pop arts of FanX, or the magical world of Harry Potter, she adored the creative minds that can produce such astonishment.

This appreciation of talent came from the talents that resided within her. She was quite gifted in graphic arts, hand drawn pieces, wood working projects, and most famously for her quilting. She had an eye for beauty and loved to share it with others. She loved to provide blankets for newborns and newly weds, pillowcases for grandkids, or embroidered towels for a baptism. Every member of her family has a special piece of her talent to hug and hold because of her gifted hands and heart. The neighbors always appreciated her visual talents at Halloween time

when her home was transformed into a haunted house for everyone to enjoy. Her love of this holiday was certainly transferred to her kids and grandkids that get into the spirit now just as much as she did.

She is survived by her four children, Joshua Shelley, Jacob Shelley, Genny (Mat) Houston, Jaime (Tom) Gubler, 11 wonderful grandchildren, and her brother Bill (Nancy) Holt. She was preceded in death by her eternal companion Don, her beloved parents Bill and Pat, and her stepmother Helen.
