

Patrick Laird Webster

April 23, 1957 ~ Jan. 17, 2023

In everlasting memory of Patrick Webster...

Patrick was born April 23, 1957 in Kearns, Utah as the third of four sons to Byron and Alberta Webster. He grew up loving the outdoors and working with his hands. He could often be found cruisin' around town on his bicycle and then later on his motorcycle. He loved scenic road trips, fishing (by land or boat), camping, gardening, building things with his hands, and above all else, Patrick loved his family and friends.

Using his charm, motorcycle, and amazing hair, Patrick met, dated, then married Deborah Ann White on November 7, 1983 during an impromptu trip to Jackson Hole, Wyoming. Declaring their love for each other instead of eating dinner, the two headed home to Utah where they eventually settled in Midvale with their two children Rhiannon L. and Alexander M. and created a loving home.

Patrick was an incredibly kind and loving person. He genuinely loved his wife, his children, his grandchildren, extended family, and friends. He is survived by his mother, two older brothers, wife, children, and grandchildren who will miss him terribly. Even when sick, Patrick was more interested in the lives of the staff who helped him than he was of his own care. He wanted to know where they grew up, how they ended up in Utah at the U Hospital and what their plans were in the future. The world is a darker place without him here to tell everyone "it will be okay" and to fill the sad void with funny stories. We can take comfort that Patrick is now able to visit with his father, younger brother, and nephew.

The Webster Family would like to thank all of the doctors and supporting staff at the University of Utah Hospital and Pulmonary Transplant Team, especially Dr. Raman Sanjeer, Dr. Matthew R Morrell, Dr. Barbara C Cahill, and Dr. Laura K Frye for all your knowledge and support during this long process.

A small Celebration of Life will be held on Wednesday January 25, 2023 at Larkin Sunset Gardens Rose Greenhouse from 6pm - 8pm-ish. Address: 1950 East 10600 South Sandy, UT 84092

In leu of flowers or gifts, please consider donating to the UofU Transplant Program so that others may get a second chance at life.
