

Pilar Gorlinski

February 25, 1952 ~ December 21, 2022

Pilar was born February 25, 1952. She passed away at her home on December 21, 2022. Pilar enjoyed life in every aspect, including walking in Brighton Canyon, plays, theaters, and vacations. She loved all the proms, graduations, experiences, and all the laughter and pride it brought. She has shown great strength and dignity through life's challenges. Her most precious times were with family and gatherings. She has now moved on to the rest of the family that has passed, and is with mom, dad, and countless others for another family gathering. With all our love, Mary, Sarah, Jordan, Tyler.
