Blake Debenham

April 4, 1989 ~ August 6, 2015

Our precious, beautiful son, Blake James Debenham, age 26, passed away suddenly on August, 6, 2015. Our loss is beyond comprehension. Blake's contagious smile and uplifting spirit was felt by all who came into his realm. He was the epitome of his brother's keeper.

Blake was born April 4, 1989, Anchorage, Alaska, he spent his youth in Connecticut, Holladay, and Sandy. He graduated from Olympus High School where he played football and tennis. He received his Eagle Scout award, Associates Degree from Dixie State and was just months away from receiving his Bachelor of Science Degree. Blake was currently working for Clearlink and loved being a Sales Coach there. He excelled in public speaking, was dedicated to living a life of fitness and health, and was a fervent goal setter and achiever. He traveled the world while working with his dad and coworkers at Lenzworks Productions. He visited 12 countries and 20 states in his 3 years there.

We will miss his infectious laugh, big hugs, funny sayings, and deep thought provoking prayers. But most of all we will miss his profound love for us.

To Blake's friends in recovery, stay strong. Blake will continue to cheer you on and know how much he sincerely loved you.

Blake leaves a family that adored him and all that he stood for. We will hug and hold each other till the end when we will be reunited with Blake for eternity. Parents; Dan J and Mona Debenham, sister and brother in law Jennica and Josh Woodbury, brothers; Parker and Chase Debenham, nieces; Abby, Kate and Lila, grandparents; Dick Hobson and Arthur and Lila Mae Debenham.

His grandmother Chris Hobson welcomed Blake to heaven with open arms.

A funeral service will be held on Wednesday August 12, 2015 at 12:00 at the Mountain Oaks Ward, 11570 S. Wasatch Blvd. The family will receive friends on Tuesday from 7:00 , 9:00pm at Larkin Sunset Gardens, 1950 E. 10600 S. in Sandy and one hour prior to the service at the church.

Condolences can be made at www.LarkinMortuary.com
