Landon David Stewart

July 9, 2019 ~ July 18, 2019

Our beautiful baby boy, Landon David Stewart, was born on July 9, 2019. He was only with us a short time when he passed away on July 18th. He had extensive heart complications, fighting through many obstacles to be with us. He was so strong and determined to win this battle, yet his little heart couldn't take anymore. We are heartbroken with our loss, but filled with so much gratitude for the time our sweet Landon was here and we will treasure it always. The fact that our baby boy came into this world is a miracle, and the love that we shared together, we will carry with us forever. We find comfort in knowing that he is no longer struggling and we can find peace in knowing we will be with him again.

We would like to send a special thank you to the doctors, nurses and staff at Primary Children's Hospital for their countless hours and dedication they provided for Landon as well as the love and support we've received from our family and friends.

Landon is survived by his parents James and Cynthia Stewart; his big sister Adalyn Stewart; his Grandparents Carl and Sue Becker; Jerry Stewart and Deborah Downey and his many Aunts, Uncles, and Cousins.

An open house viewing will be held at Millennial Falls (12375 South 1300 East, Draper, Utah 84020) Tuesday, July 23, 2019 from 6-7:30 p.m. A memorial service and dove release will follow from 7:30-8 p.m.
