

Richard Lee Beauchamp

July 23, 1959 ~ April 2, 2022

Richard Lee Beauchamp, our beloved brother, uncle, and friend, passed away at the age of 62 due to medical conditions. He was preceded in death by his parents and his twin brother, Ron. Rick created an inspiring legacy of thoughtfulness and generosity, following the example of Jesus Christ as he helped both friends and strangers in need. His family was of greatest importance to him; his favorite times were times of family gathering. He loved to provide memorable family experiences that were full of fun and creativity. He was a selfless, gentle man who is truly loved and deeply missed.

Private family services were held and he was laid to rest at Larkin Sunset Gardens, Sandy, UT
