

Robyn Marie Hildreth

January 18, 1970 ~ April 26, 2021

It is with great sadness that we announce the loss of Robyn Marie Hildreth who passed away on Monday April 26th, 2021. She was born Robyn Marie Phillips on January 18th, 1970 at Holy Cross Hospital in Salt Lake City, UT. She attended schools in Murray, UT. At a wild young age, she met Eric Hildreth and the rest was history. They married May 22, 1991 and embarked upon a life long journey of adventure, love and true partnership.

Robyn was the most extraordinary woman, wife, mother, daughter, sister, niece, aunt and friend. She made us all better people. She was kind beyond words and extraordinarily thoughtful. She was always taking the extra step to connect with people and let them know that they mattered. She was a gentle spirit who worked for many years as a devoted personal caretaker for an individual with special needs and helped manage her husband's business. She was genuine, curious and smart. She never stopped reading and learning, and started college coursework in later years, with great success. She never stopped her pursuit of personal growth and improvement. She was mischievous and a rebel. Her laugh was contagious and her smile warmer than the sun.

Her life's work was her family. She set the bar as an amazing mother; she encouraged her children to become the best version of themselves and she was always there to support them through life's trials and celebrations. She was a devoted wife who never stopped believing in and falling deeper in love with her husband. They built a family and they grew that family together developing a wonderful partnership that grew stronger and stronger. She loved camping, hiking, beaches, mountains, deserts and oceans. She especially loved to be warm; loved to celebrate on family trips to Mexico and camping trips wide and far. She loved her treasured furry and scaly family members who returned that love with abandon.

She made a difference. She made this world a better place. She inspires us to live our best life, to celebrate love, family, and believe in the beauty and good that surrounds us.

She is survived by her husband of 29 years, Eric Hildreth, her son Ashton, her daughter Addison, her mother Jan Phillips, her brother Richie Phillips, her sister Lisa Bolton, along with a very close-knit extended family of aunts, uncles, sisters in law, brothers in law, nieces, nephews, cousins, an absolutely endless group of beloved friends and especially Felix, Rigby, Ziggy, and Crazy Bev. She is our heart, our soul and will always be with us.

A celebration of Robyn's life will be held at a later time. C'mon kids, it's five o'clock somewhere!
