

Scott James Reynolds

October 8, 1945 ~ November 14, 2023

It's with heavy, broken hearts that we announce the passing of our beloved husband, father, papa, brother, cousin, and friend on November 14, 2023. He was surrounded by his wife and children, listening to his favorite oldies music.

Scott was many things to a lot of people, to his family and friends, he was one of the good guys. He was an amazing story teller and always had a good joke. He was just a call away if you needed a hand. He was a creative artist who loved building and painting. He was a beautiful snow and water skier and he also enjoyed playing golf and fishing. Amongst all of his favorite things, it was time spent with the love of his life and best friend, Loretta, his children, and his grandchildren.

Cherished memories will always be his humor and laughter, an infectious smile with squinty eyes, countless road trips, boating and fishing days, going to the cabin, his cooking & grilling, and his love of a good party.

Accomplishments he was most proud of include his nine years in the Army National Guard, thirty years at Mead Products as a regional sales representative, twelve years working at Brighton Ski Resort with his wife Loretta, and owning his own business-"Big Red Handyman".

We as a family want to thank him for all his love and laughter, the countless life skills he's taught us all, his advice, his support, and especially our talks. We will never forget how hard he fought to stay with us and be here. He never gave up! Besides the endless things, too many to list, we will hold tightly the memories he left with us. We will miss his laugh, big hugs, and kisses the most.

Love you always,

Loretta (wife), Niki (daughter), Brian, Grayce & Abigail, Corin (daughter), Brian (son), Megan, Kelsie, Carter, Jaxson, Pam (Sister), & Stella (dog).

Celebration of Life at a later date.
