

Sjondel Marie Lavery

February 10, 1991 ~ February 6, 2025

My beautiful, sweet, loving, funny, witty, compassionate, talented and precious daughter Sjondel Marie Lavery, came into this world sooner than expected on 02/10/1991, and left this world the same way on 02/06/2025, leaving us broken hearted and devastated. Sjondel was so full of love and compassion, she had a way of looking outside the box to see a bigger picture. Sjondel's wisdom and knowledge amazed me, a topic or question could be brought up, and she either knew the answer or would research until she had it. She had so many talents and gifts, many of which she taught herself, such as: playing the guitar, wood burning, jewelry making, crocheting, and so many more. She had the gift of a beautiful voice and would play her guitar and sing, her laugh was the cutest and sweetest sound ever. Sjondel loved her family and friends beyond words, and loved to do random little things to let them know. She's a true daddy's girl, her favorite thing to do was going fishing with her dad. She and her brother Colton have a special bond and loved just sitting and playing the guitar with him, she loved him deeply and dearly.

On January 04, 2014 Sjondel met the love of her life and new fishing partner in crime, Newel Hennick. She was so excited that he proposed to her on January 04, 2025, their 11 year first date anniversary. She was so excited to marry her sweetheart and start the next chapter of her life. Sjondel got to experience the feeling of true, unconditional love he gave her, and she gave the same to him, this in itself is a gift that many don't ever get to experience in their lives. She is so missed and our hearts are broken, but we are so blessed to have been loved by my Missy Sjondel, my Murf Princess.

Sjondel had a passion in defending those who couldn't be heard or seen. In honor of her please check out YouTube, CPP Women against Predators +2

This group of people are her second family and she loved them all dearly and passionately. The work they do is not easy, but Sjondel would tell me, "better them than others". This world is a better place because of Sjondel and the teams she worked with over the last few years.

You are so loved and missed Sjondel, but knowing you are with your dad brings us some comfort. I Love you and am so honored you chose me to be your Mom.

Sjondel is survived by her Mom Angie Bernardo Lavery, Brother Colton Lavery (Kaya), Fiance' Newel Hennick, Grandpa and Grandma Bernardo (Jimmy and Sandra), Uncle Johnny Bernardo (Kathy), Aunt Marnie Rivera (Bernardo), Uncle Lawrence Lavery, Uncle Ryan Lavery (Celeste), Uncle Jim Lavery (Karen), and many cousins who she loved and had great memories of.

Sjondel was preceded in death by her dad Sjon Lavery, her great-great grandmother Cleta Boone Phoebus, great grandparents John L. and Maxine Green, and Toni and Fanny Bernardo, Godmother and aunt, Louise Bernardo, aunt Pat and uncle Bill Arnold, and her aunt Siri Lavery who was there when she was born.

With heartfelt gratitude and love, a special thank you to Johnny, Kathy and Lawrence for being there for Colton, Newel and myself at a time that came to soon, and our hearts became broken. Also, there are so many to mention, thank you for all the prayers, strength, support and kind words We love and appreciate you.
