He was employed by R.C, Willey for 29 years where he was the Vice President over flooring. He also represented R.C. Willey's in the NFA (Natioinal Floorcovering Alliance) s treasurer for many years. He loved his work and really missed it and his associates when he retired in 2010 because of his health. He was highly respected at Willey's and was well known and respected throughout the floorcovering business industry.

He loved family history and spent hours enjoying the research. He also served a Church service mission in the family History Department. He served faithfully in many church callings and was always there for his family. He moved us into our new home on Oak Valley Drive 46 years ago nd all 4 of our children were raised here. He was very hands on and involved in the building of our home. He loved to travel and was able to visit many countries and islands before his illness. His main hobbies were photography and building model railroad layouts.
