Steven Lee Hudson, born May 29, 1948, passed away peacefully on April 29, 2025, with his wife, Margarita, at his side; he was 76 years old. He was a loving husband, brother, and uncle to his extended family, who meant so much to him.

Steven's early life in Utah instilled a love for nature and helping others. His bright intellect and caring personality were evident to all who knew him. As a young adult leader in the Boy Scouts of America, Steven was known for his enthusiasm in guiding Boy Scouts through adventurous camping trips, including a memorable journey along the Alaska Highway. His commitment to mentoring extended beyond scouting, as he also dedicated his time to the Big Brothers of Utah, where he had a profoundly positive impact on the lives of teenage boys.

Steven was a long-time federal employee of NIOSH and OSHA, managing an OSHA office in California before retiring in 2004. Together, they created a home filled with love, nurturing a life rich in experiences and shared world travels.

Steven will be remembered fondly and missed dearly by all who had the privilege to know him.
