

Steven Mark Doman

August 23, 1963 ~ December 18, 2023

Steven Mark Doman passed away on December 18th, 2023 he died of complications due to an unexpected infection.

Steve was born in Salt Lake City, Utah to Marge and Jerry Doman. He was the oldest of four children: Steve, Kim, Rob, and Kathy. Though born in Utah, he mostly grew up in Canada and California. He attended BYU on a full-ride swimming scholarship, then went on to graduate school at the University of Utah. He got married and had three children: Brittany, Brock, and Abby. He later divorced. At the time of his death, Steve was in the process of retirement from the Davis County School District, where he lived out his dream career of coaching and teaching for 20+ years.

It was in elementary school, while living in Canada, that Steve's deep love of sports began—a love affair that lasted a lifetime. And his love was not specific to any one sport, but rather to all of them. He played and competed in: hockey, wrestling, skiing, gymnastics, football, baseball, basketball, soccer, and swimming. And Steve didn't just participate in these sports—he excelled at them. While the awards and medals he earned throughout his life are too numerous to list, a few are fun to mention: in elementary school, he was the 11-and-under Canadian national champion for football passing, punting, and kicking. In high school, he wasn't just the quarterback of the football team—he was also the kicker and the punter. In college, he was a WAC swimming champion many times over, earning gold medals in numerous events.

Steve turned his success as a competitive athlete into a lifelong career in coaching and teaching. As a teacher, he taught a variety of courses to high school students. As a swimming coach, he taught swimmers at every stage—from beginner to the highest collegiate level. But Steve was so much more than just a teacher or coach to his students—he was also a motivator, a mentor, and a friend—helping students in all aspects of their lives. His genuine, compassionate nature left an enduring impression on everyone who crossed his path.

Steve was known for his optimism, positivity, laughter, and his contagious smile. His passions were sports, coaching, family, plays, comedy, and horses. And let's not forget his eternal loyalty and obsession with the Kansas City Chiefs.

Steve is survived by his mother, Marge Doman; siblings Kim (Forrest) Tripp, Rob Doman, Kathy Doman; children Brock, Brittany, Abby and their spouses; nephews Chad and Brandon Tripp, Kaden and Sage Doman; and nieces Amber and Shea Tripp. He was preceded in death by his beloved father and ultimate hero, Jerry Doman.
