

Tammy Kay Brown

March 27, 1971 ~ May 9, 2025

Tammy Kay Brown, daughter, sister and aunt passed peacefully from this life, in her home on May 9, 2025. Tammy was 54 years old.

Tammy was born March 27, 1971, in Murray Utah, to Merrill Glen Brown and Deanna Glines Brown.

Tammy enjoyed life. She was an observer of everything around her; she enjoyed people watching, being outside swinging or lying on the grass and looking at the flowers. She had a passion for musicals and everything horror–the more gruesome the better. Tammy loved 80-90s rock, jamming out to the beats of Rob Zombie, Metallica, Queen, and of course her musicals “West Side Story,” “Sweeney Todd,” “A Star is Born,” and most recently “Encanto.” She enjoyed shopping and being pampered, getting manicures and pedicures and getting her hair done (hot pink). Tammy loved Lagoon. She enjoyed the scariest highest rides there; her enthusiasm showed in her smile that she did not often share.

Tammy lived in a duplex and attended a day program with TURN Community Services, where she had flourished for many years. She met many people throughout her life; peers that became friends and staff with whom she built close bonds. She had a mischievous sense of humor and she got great pleasure from watching others' reactions to it, testing all. She was loved by many.

Tammy is preceded in death by her sister Christy Lynn Brown, mother, Deanna Glines Brown, stepmother Ethel Young Brown, grandparents James and Iva Glines and Milton and Mary Brown.

She is survived by her father Glen Brown (Coleen), brother Michael Brown (Laura), nephew Paul Brown (Apryl), niece Samantha Johnson, nephew Ryan Johnson and various great nieces and nephews, aunt Shirley Bloxham, aunt Judy Forsythe (David) and uncle Ronald Brown (Lloyd). Tammy will be missed by many.

The family would like to thank TURN Community Services for all their wonderful support throughout the years.
